

ITBS-ITED REGISTRATION INFORMATION

It's that time of year again for the Iowa Test of Basic Skills. The Iowa Test of Basic Skills is a National Standardized Test which Summit offers as a service for our **ENROLLED students and NON-ENROLLED home-schooled students** whose parents desire this testing for their 3rd-12th grade children.

Many of you are in school districts and states that require you to submit test scores from a nationally recognized test each year. The ITBS grades 3-8, and ITED, grades 9-12, fulfill this requirement in most cases.

If you are enrolled in either our Umbrella or Online Schools, please note that Summit **does not require** students to take these tests, **but highly recommends them** as we feel they are beneficial for:

- *Tracking your child's progress. *A safeguard should you ever be challenged.
- *For proper placement should your child have to return to public or private school.

The test is "Complete Battery," which includes reading comprehension, language usage, math skills, social studies, and science.

All orders for testing must be submitted by Friday, February 26th, 2010.
WE WILL NOT BE ABLE TO ACCEPT ANY ORDERS PAST THIS DATE.

Dates for testing will be during the week of March 15th- March 19, 2010.
Tests must be received back in our office by March 26th, 2010.
